

# Keep math skills sharp this summer!

- ★ Flamingos, pillow forts, chocolate chips... math that's fun for the whole family.
- ★ Just 5 minutes a day at bedtime, bathtime, even beach time.
- ★ Grab your Summer of Numbers chart to get started!

**It's nothing like school!**

**One of Our Favorites:  
Ice Cream on a Stick**

**WEE ONES** How many popsicles is she holding?

**LITTLE KIDS** If a box of popsicles has 1 lemon, 2 orange and 3 strawberry popsicles, how many popsicles do you have?

**BIG KIDS** If you pick an orange popsicle, then a lemon, then a cherry, then orange, lemon, cherry...what flavor is the 8<sup>th</sup> popsicle?

Answers: 4 popsicles; 6 popsicles; lemon.

## Doing Bedtime Math at home helps kids at school!

University of Chicago found kids' math skills improved by **3 months** in one school year.

Kids were still ahead 2 years later, even after they stopped using the app.

## With a few clicks, it's easy to download!

1. Download the **Bedtime Math app** for iPhone/iPad on the **App Store**, or for Android on **Google Play**.

2.

Open the app and click **English** or **Spanish**.

3.

Click **Individual Edition**.

4.

Click one of the **buttons** to get started!
